

Happy New Year

Dear Friends!

I would like to congratulate you on the hard work, done with a lot of good will and despite all the challenges! The coming days are not going to be easy but together we will accomplish more and dream bigger! Allow me to express my gratitude and respect to the President of BCCBI - Mr. Katrieli and the BCCBI team who have managed a lot in a very short period of time and let us all help for the sake of Bulgaria and Israel, their nations, their security, their economies and most of all – for the well being of our people!

May you be blessed!

Allow me to wish You and Your Families an amazing Merry Christmas and New Year's Eve!

**Yours in heart and mind,
Shaul Kamisa Raz**
